APPLIED FUNCTIONAL ANALYSIS

Seminar of the Department of Mathematical Analysis, Computational Mathematics and Probabilistic Methods

Faculty of Applied Mathematics AGH

UPCOMING MEETING

October 9, 2024 (Wednesday) at 2:15 p.m. in room 304 (in connector A3-A4)

Prof. Vicentiu Rădulescu

(Faculty of Applied Mathematics AGH)

will deliver a lecture entitled:

Normalized solutions of (p,q)-equations with mass supercritical growth

You are cordially invited!
